Pakistan contracts second FSRU to relieve supply shortage

Pakistan GasPort has signed a 15-year agreement with shipping firm BW Group for LNG regasification services using a new-build floating storage and regasification unit (FSRU).

The project is scheduled be commissioned by the end of June 2017 at Port Qasim in the country's largest city, Karachi. It will be Pakistan's second LNG import terminal, the first also being an FSRU.
