Russian gas and US LNG could wage price 'war' in Europe – KAPSARC

With an LNG supply glut looming and demand growth waning in Asia, many have wondered if gas price war will erupt in Europe between traditional suppliers of pipeline gas like Gazprom and flexible US LNG looking for a market of last resort.

Saudi Arabia-based energy think tank King Abdullah Petroleum Studies and Research Center (KAPSARC) examined the issue this week in a report, which foresaw a major revolution in international markets in the coming years.
