## Egypt to import 60 LNG cargoes next year – reports

Egypt is set to import roughly 60 cargoes of LNG next year, following the latest supply tender by Egypt Natural Gas Holding (EGAS), media reports this week said.

Commodity trading giants Glencore and Trafigura reportedly won the lion's share of deliveries with 25 and 18 cargoes, respectively, with the rest split between Vitol, Gunvor and BB Energy. Glencore and Trafigura declined to comment on the results.
