Gazprom and Georgia agree terms for flows to Armenia

Gazprom Export has agreed terms for the transit of gas through Georgia to its southern neighbour Armenia.

At this stage, the terms cover export flows of 2-2.2 Bcm to Armenia until the end of 2018. Gazprom did not disclose how much it would pay, but said that transit fees to Georgia would be revised down by USD 30/Mcm compared to rates in 2016.
