OneLNG to rescue stranded gas with second Equatorial Guinea FLNG vessel

OneLNG, the joint venture between Schlumberger and Golar LNG, is laying the groundwork for deployment of a second FLNG vessel offshore Equatorial Guinea after penning a memorandum of understanding with the government.

Under the terms of the agreement, OneLNG is to find a commercial solution for gas produced at offshore Blocks O and I that is currently either stranded or being re-injected to boost liquids production.

OneLNG's commercial solution is to ...
