Pertamina pursues Peruvian power project as convenient customer for US LNG

Pertamina is looking into a possible LNG-to-power project in Peru that could provide a convenient destination for the Indonesian NOC's US LNG volumes.

Salis Aprilian, strategic advisor to Pertamina's gas directorate, told Gas Matters Today that top brass from the company were invited to Lima to scope out an early-stage proposal with Peruvian government officials.

"LNG from Cheniere will be more expensive in Indonesia than ...
