ANALYSIS: NNPC misfires with gas push to shore up Nigeria's failing power sector

Nigeria's state-owned oil company NNPC is redoubling efforts to deliver seven “critical gas development projects” that are intended to boost domestic gas supply for power generation.

The goal is to generate by 2020 15 GW of much-needed power to the country's long-suffering consumers – but increasing gas supply does not appear to tackle the root problems of ...
