Gazprom and Lithuania both claim victory in Lietuvos Dujos dispute

The legal dispute between Gazprom and the Lithuanian government over the management of gas supplier and transporter Lietuvos Dujos has failed to come to a clear conclusion. Gazprom said this week that the Arbitration Institute of the Stockholm Chamber of Commerce has decided to settle “most” of its claims against Lithuania’s ministry of energy. However, the Lithuanian government said it still had the right to initiate further investigation into Lietuvos Dujos activities in the local Vilnius Court.
