Socar agrees to supply LNG to Gasol for customers in Benin, Togo and Ghana

West African-focused energy company Gasol plc has signed a "strategic alliance agreement" with Socar Trading S.A. (STSA), under which STSA will supply all the LNG required by Gasol for delivery to customers in Benin, Togo and Ghana, Gasol said on Thursday. STSA is the marketing and development arm of Azerbaijan's national oil company, SOCAR, and will also assist Gasol with the provision of a floating storage and regasification unit (FSRU) to be anchored at Cotonou harbour in Benin.
