Qatar to inaugurate world's largest GTL facility

Qatar will inaugurate the world's largest gas-to-liquids (GTL) facility, Pearl GTL, at Ras Laffan Industrial City on November 15, 2016. The project, developed by Shell under a development and production-sharing agreement (DPSA) with the State of Qatar, will produce 140,000 barrels/day of GTL products and 100,000 boe/d of upstream liquids and ethane.
