Excelerate Energy to deliver FSRU to Bangladesh

US-based Excelerate Energy has been contracted to deliver Bangladesh's first FSRU on a build-own-operate and transfer (BOOT) basis by state-owned oil and gas company Petrobangla.

Bangladesh will receive a 138,000 cm FSRU with 500 MMcf/day (5.17 Bcm/year) of regasification capacity in approximately 18 months, Petrobangla said this week.
