## TANAP awards EPCI contract for Turkish offshore section

The Trans Anatolian Natural Gas Pipeline (TANAP) consortium has awarded an engineering, procurement, construction and installation (EPCI) contract for an offshore section of the 16 Bcm/year line to Malaysian services firm SapuraKencana Petroleum.

The MYP 510 million (USD 126 million) contract covers the installation of an 18 km pipeline and fibre optic cables in Turkey's Marmara Sea and is scheduled to be completed in Q3 2018, SapuraKencana said on Thursday.
