Novatek seeks entry into small scale LNG space with Fluxys MoU

Novatek has signed two memoranda of understanding this week, one with small scale LNG pioneer Fluxys of Belgium, and another with Russia's ministry of industry and trade and the Murmansk region government relating to the Arctic LNG 2 project.

The Fluxys MoU covers a range of subtopics within the LNG space, including cooperating in developing small-scale LNG projects in Europe, developing LNG marketing in Europe and Latin America and optimising LNG logistics.

"A mutually beneficial cooperation with such an established partner as large infrastructural company Fluxys will help us to ...
