ANALYSIS: Cyprus puts brave face on Total's disappointing offshore drilling results

Having lived through the frustration of being unable to monetise the Aphrodite field, discovered in December 2011 by Noble Energy, Cyprus this week is facing the dismay of a non-commercial discovery at the Onisiforos West-1 well, operated by Total in offshore Block 11 where the French giant is partnered with Italy's Eni.

Initial results from Onisiforos West-1 indicates a gas resource of ...
