Repsol, Eni in renewed effort to boost gas production from Venezuela's giant Perla field

European majors Repsol and Eni are laying the groundwork for a renewed attempt to more than double gas production from the giant Perla field offshore Venezuela, despite the apparent failure of previous efforts to boost output from Latin America's largest offshore gas field.

The Spanish and Italian companies have reviewed a plan with PDVSA to boost output from 400 MMcf/d today to ...
