Bangladesh gets lucky on second attempt as Summit FSRU fires up a month early

Bangladesh's second floating storage regasification unit (FSRU) has come online a month ahead of schedule, in stark contrast to the country's first FSRU which was delayed by months. However, pipeline constraints and higher domestic gas prices could temper enthusiasm over Bangladesh's emergence as a booming new LNG market.

Summit LNG – led by Singapore-based Summit Power International – began delivering ...
